WORK EXPERIENCE

INTERN - CODESOFT

web development Aug 2023 – Sep 2023

Worked on building responsive and interactive web applications as part of the internship. Developed a personal portfolio website to showcase projects and skills, focusing on clean UI and responsive design. Also created a functional calculator web app using HTML, CSS, and JavaScript, demonstrating knowledge of DOM manipulation and user input handling.

INTERN - COINCITE.AI

web development Oct 2023 – Dec 2023

Worked on developing a sample e-commerce website with features like product listings, shopping cart, and responsive design to enhance user experience. Additionally, built a real-time chat application, implementing messaging functionality and user interface components to support interactive communication.

Gained hands-on experience with modern web technologies and improved proficiency in frontend development and client-server interaction.

ACHIEVEMENTS

- Secured 2nd Prize in a Poster Presentation competition, awarded a cash prize of ₹1,000, demonstrating creativity and effective communication of technical concepts.

CERTIFICATIONS:

- Web Development – CodeSoft
- AI for Everyone – DeepLearning.AI
- Introduction to Generative AI – LinkedIn Learning
- Data Analysis with Python – CognitiveClass.ai

Strengths:

- Leadership Skills – Served as Class Representative in B.Tech 1st year, showcasing responsibility and team coordination.
- Quick Learner – Easily adapts to new tools, technologies, and environments.
- Team Player – Comfortable working with diverse individuals; able to collaborate and maintain positive relationships.
- Adaptability – Quickly adjusts to new situations, people, and work cultures.
